DEAR SHELLFISHERMAN;

Thank you for your interest in joining the R.I. Shellfisherman's Association. We need your support and your ideas. Please take the opportunity to participate in an effort to improve your livelihood or lend your support as an interested citizen or related business (associate member). Any Associate member business will be listed in our business support listing on our website. All full and associate members must be approved by the Board of Directors.

Dues paid entitles you to membership for a period of one year. You will be notified by mail when your dues are due. We have worked hard on water quality and environmental issues, promoting our shellfish products, licensing issues, monitoring and participating in regulatory and legislative activity. We hope you will support our efforts.

Thank You;

Michael McGiveney, President
